KEEPING THE KIDS AT BAY... *Wine Tours for the family*

We all holiday for different reasons - some for that break away *from the kids* and some for that much sort after family time away *with the kids*. Albeit the major draw card for Wine Country has always been it's award winning fine wines and food, it also boasts an amazing array of other attractions to make it appealing to all visitors.

With our [Private Charter](#) options (refer to our website) , we can certainly tailor a day that enables families or guests travelling with children to enjoy their day of wine tastings with peace of mind that there is something for the kids as well. Cellar doors can be handpicked to include anything from playground facilities, junior tastings, room to play, puzzles/activities on hand to appeal to all ages. Not forgetting some of our major attractions like Hunter Valley Gardens, Aqua/Putt Putt Golf and Hunter Valley Zoo to name a few.

Let's face it - if the kids aren't happy, no-one's happy!
